## MARKETING AND COMMUNICATION

In today's business, marketing plays a vital role in understanding consumers and markets to enable companies to make more profitable and more effective decisions. In every sector of the economy, public, private or not for profit, marketing is critical to the success of every business.

Managing the marketing process requires certain knowledge of both the marketplace and the implications of the marketing mix.

Our nationally recognised courses provide you with this knowledge.

The courses will enable you to achieve your ambitions easily and provide access to positions in the various sectors of the industry such as Advertising, Direct Marketing, Promotion Marketing and Marketing Research.

## **COURSE INFORMATION**

Our Marketing courses have been developed according to the requirements of the Business Services Training Package (BSB), in consultation with our industry partners and have been approved for delivery by the Australian Skills Quality Authority (ASQA). They are nationally recognised qualifications within the Australian Qualifications Framework (AQF).

#### STUDY PATH

Training is delivered in stages which correspond to AQF Levels IV to VI. The preferred pathway for a qualification is for students to complete the requirements of the previous level qualification before progressing to the next level – thereby achieving more than one qualification.

Applicants without the previous level qualification will be considered if they have relevant qualification and/or vocational experience.

We aim to equip our graduates with the necessary skills and knowledge to enable them to successfully satisfy the demands of the workplace.

#### COURSE DELIVERY & ASSESSMENT METHODS

Delivery and assessment strategies are selected to reflect the nature of the elements and performance criteria of the competency together with the needs and learning style of the participants. Qualifications are delivered over 20 hours per week, 16 hours face-to-face and 4 hours online learning.

Assessment methodology may include but is not limited to observations, projects/ reports, case studies, role plays, exercises, activities, and written/oral tasks including multiple choice question and short answer, essay, true/false and presentation.
